Submit

[Get a library card](#) | [Forgot Your PIN?](#) | [Home](#)

(Note: Unless you changed it, your PIN is the last four digits of your phone number)

Fill out the form and click submit. Make sure you use an email account you can easily access.

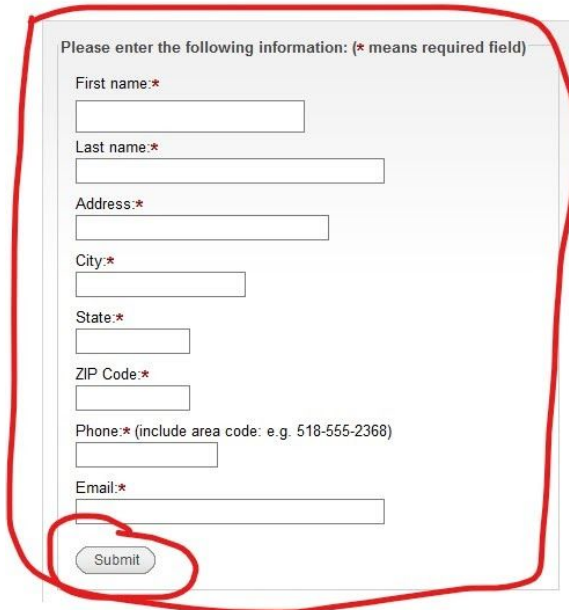

Need a library card?

To renew an existing card: Please contact [your library](#).

Use the form below to get started.

This page allows you to register online for a library card **if you live in Albany or Rensselaer County and do not already have a card**. You will be able to access online materials and request items after registration, but you may have limited privileges until you pick up your card in person. **You have 90 days to pick up your library card, otherwise your account will be deleted.** Contact [your local library](#) with questions or if you need to update an existing card.

You will need a **valid email address** to choose a Personal Identification Number (PIN) after you register. Please make sure the email address you enter is correct so you can get started using your library card as soon as possible.

Please enter the following information: (* means required field)

First name:*

Last name:*

Address:*

City:*

State:*

ZIP Code:*

Phone:*(include area code: e.g. 518-555-2368)

Email:*

Submit

Congratulations! You have a library card. It's good for 90 days. Write down the barcode number. Once you've done that, you will need to select a PIN. Click on "Choose a PIN"

Congratulations on registering for your new library card!

Your temporary barcode is: 1355-**XXXX** (Remember this code)

Thank you for registering for a library card. You can pick up your card at your [local library](#). Please bring your photo ID and something with your current address when you come to pick up your library card. **You have 90 days to pick up your card, otherwise your account will be deleted.**

Use your card now

If you wish to download ebooks or request physical items for pick up at your library you will need a Personal Identification Number (PIN). Please follow the steps below to create it.

To choose a PIN, click the [Choose a PIN](#) link below and update your PIN. After updating your PIN, look for an email with a link (valid for only three hours) to validate your PIN.

When you have a barcode and PIN you will be able to access our [digital collections](#) of ebooks, audiobooks, videos, and some databases immediately. You will also be able to request physical library materials to be picked up at the library of your choice. You will receive an email when your requested item is at the library you selected. Bring your photo ID and something with your current address to the library and you may be issued your permanent card.

[Return to Catalog](#)

Enter the barcode number you just wrote down from the previous page. Click "submit"

PIN Request

Please enter the following information:

Barcode
●●●●●●

For example, type "312312..." and then press the RETURN key.

Submit

This is the next screen. Go to your email account.

Search:

A message has been sent to the email address we have on record for you. Please follow the instructions in that message to reset your PIN. If you do not receive an email, ~~please contact your librarian for assistance.~~

Look for this email. Open it

donotreply **Request to reset your library PIN - The library received a request**

Click on the blue link in the body of your email.

donotreply@uhls.org

to me ▾

The library received a request to allow you to reset your Personal Identification Number (PIN) used to log in. If you did not place that request,

<https://sierra.uhls.org/pinreset~S42?info=e80a18cb8463debd6c12e1ec955f0c0c9bf7f302a0565e93f779afedd531b6768aef3987a7b8bb85>

This link is valid for 3 hours from the time of your request.

Enter your barcode. Enter Your PIN. Enter Your PIN Again. Hit submit

Choose a PIN

Use the form below to choose or reset your PIN.

Choose a PIN that's easy to remember but not very easy to guess. Some patrons use the last four digits of some constraints:

- PINs must be at least 4 characters long, can be up to 30 characters long, and can consist of any character.
- The PIN must not contain common trivial patterns. For example:
 - A character that is consecutively repeated three or more times (for example, aaaa, bbbb).
 - A set of up to four characters that is consecutively repeated two or more times (for example,

Please enter the following information:
