

# Summer Adventure @ the Voorpl • 2021

## Tails & TALES

The Voorheesville Public Library is excited to keep our community reading, learning and exploring with the Summer Adventure @ the Voorpl. Make a READsquared account to track reading on our website. There will be raffle prize incentives for participants who record their reading by midnight on Friday, August 13.

This Summer, different types of programming will be offered as we strive to reach our patrons in varied ways with a wide array of opportunities. Storytimes will be held outdoors or on Zoom in case of rain. Some programs will be held in the park and other community sites. Virtual programs can be viewed using private links emailed to registrants. Some will offer Take & Make kits paired with instructional videos. We'll even introduce some interactive events on social media. Please register for activities that interest you using our online calendar beginning June 1, and you will receive complete information.

*It's going to be a fun Summer full of Tails and Tales!*
